Property Description

This building plot is located in the luxurious urbanization 'Vista Alegre' in the south of the island. It is located on one of the highest points of the urbanization with unobstructed dream views over the coast and the sea to Formentera. The plot can be built up to 50%. So it could be a villa of about 750 m². The property can be reached via two access roads. All necessary connections are already on the property. A building application with a project according to the wishes of the new owner must still be applied for. Here is a unique opportunity to create your dream home in a 24 hour secured urbanization.
